

# Do Me Right

Pebbles

Just do me right

Do me right  
Just do me right  
Gonna have some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight

There you go just wantin' my love again  
I go around thinking you're my lover man, baby  
For the last time, baby, tore my heart apart  
The way I feel about you, just can't live without you  
No, that's how I feel

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

You run around with that high school boy, you're strong  
Let's just be for real, baby, you're what makes me feel so warm  
And for the last, baby, you tore my heart apart  
You build me up just to let me down, you messed me all around, oh, baby  
And oh, oh, oh, oh

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight and I can't help myself

Do me right  
Just do me right  
Gonna have some fun tonight  
Said me and you and you with me, yeah, boy

Do me right  
Just do me right  
Gonna have some fun tonight  
Tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
You can if you wanna, if you wanna

Do me right  
Just do me right  
Some fun tonight and I can't help myself

Do me right

Just do me right  
You can if you wanna just do me right, baby, baby  
Some fun tonight and I can't help myself

Just do me right  
Do me right  
Do me, do me, do me right, baby

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Just let me down, stop messin' around  
I can't help myself, boy

Do me right  
And just let me down  
Stop messin' around  
You can't help yourself

Do me right  
Just do me right  
Gonna have some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight, some fun tonight

Do me right  
Just do me right

Gonna have some fun tonight  
Some fun tonight and I can't help myself

Do me right  
Just do me right  
Gonna have some fun tonight  
You can if you wanna just do me right, baby, baby

Do me right  
Just do me right  
Gonna have some fun tonight  
Some fun tonight and I can't help myself
