It's Alright

Pebbles

I know you wanna give me all your lovin'
It's, ooh, I just can't explain the way you make me feel inside
It's alright, hmm, tonight

You know that I want to give you lovin'
But I know there's more to our relationship, oh
I realize that what I want is you
So I'm gonna show you all this lovin', oh

It's time for us to be one
And show our love
So when you feel the need for love, remember
I'll give you all you want

'Cause it's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, I want you, baby
It's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, ooh, ooh yeah

I know that you wanted to give me lovin'
Ooh, I can't explain the way I feel inside, no
When you hold me, if only, boy, you knew
It's hard to resist this heat I'm feeling for you

It's time for us to be one
And show our love
So when you feel the need for love, remember
I'll give you all you want

'Cause it's alright
I'll give it to you one more time
Boy, tonight, baby
I'm ready so come on, ooh, ooh, I want you, baby
It's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, ooh, ooh yeah

It's alright
Baby, I'm gonna give this lovin' to you

It's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, I want you, baby
It's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, ooh, ooh yeah

(It's alright) It's alright
(Boy, tonight) Boy, tonight
(It's alright) It's alright

(Boy, tonight) Boy, tonight
(It's alright) Ooh, I feel the need to love and hold you
But it's alright
(It's alright) And if we take it there, you will know
That I love you, boy, you know
'Cause it's alright
I'll give it to you one more time
Boy, tonight
I'm ready so come on, ooh, I want you, baby
It's alright
I'll give it to you one more time
Boy, tonight
