

We're Not Alone

Peeping Tom

(A lover)

(A lover)

This feeling has a thousand limbs
Of a first and hymns tell me do you like it

(I like it)

Too big to fit in this skin, this skin i'm in,
because i'm a lover
Bring my freedom!
I won't live locked up dead,
until life again, because i'm a lover
(A lover)
For the first time I opened my eyes,
and feel alive that's 'cos i'm a lover

We're not alone in this psychrodrome,
but I know that I don't want to lose yah,
Livin' the dream if you know what I mean,
and I'll be that boy you used to know.
I'm not alone I've got this microphone
and I know that i'm ain't gonna fool yah,
be that king and try to be that queen
and I wouldn't save yah!

(A lover)

(A lover)

Open me like a door, a flower
or a book or a cloud that went grey
(A lover)
There's nobody in the streets, or in their homes,
just skies and winter play
Bring my freedom!
Got to save this poisoned feeling,
my mind ain't clean because i'm a lover
(A lover)
Dreaming won't heal, here's a clue;
I am here for you, i'll be your provider

We're not alone in this psychrodrome,
but I know that I don't want to lose yah,
afraid of the walls behind closed doors
well I'm just a baby in your arms.
I'm not alone I've got this microphone
and I know that I ain't gonna fool yah,
We watching fear, read a magazine,
just to keep our minds erased.
Keep our minds erased!

We're not alone in this psychrodrome,
but I know that I don't want to lose yah,
A love is made like a starbucks chain
and we're taking all of you home.

We're not alone in this psychodrome,
and I know that I don't want to lose yah,
livin' the dream if you know what I mean,
and i'll be that boy you used to know.
We're not alone in this psychodrome,
but I know that I don't want to lose yah,
afraid of the walls, behind closed doors
well I'm just a baby in your arms.

We're not alone (3x)
Not alone (3x)

We're not alone,
We're not alone,
Not alone,
We're not alone,
Not alone,
Not alone,

We're not alone (x10)

(I don't wanna lose yah)
There's nobody in the streets,
or in their homes
Just skies and winter plays
Breathe out, breathe in!
Got to sack this poisoned feeling,
let my mind be clean
Because I'm a lover (A lover)
Dreaming won't heal,
here's a clue
I am here for you,
I'll be your provider

We're not alone in this psychodrome,
but I know that I don't want to lose you
Afraid of the walls,
behind closed doors where
I'm just a baby in your arms
I'm not alone, I've got this microphone,
and you know that I ain't gonna fool you
We watch in fear, read a magazine,
just to keep our minds erased
Keep our minds erased!

We're not alone in this psychodrome,
but I know that I don't want to lose you
Our love is made like a Starbucks chain,
and we're taking over this neighborhood!
We're not alone in this psychodrome,
and I know that I don't want to lose you
We're living the dream if you know what I mean,
and I'll be that boy you used to know
We're not alone in this psychodrome,
and I know that I don't want to lose you
Afraid of the walls, behind closed doors where
I'm just a baby in your arms

We're not alone
Not alone
(I don't wanna lose you)
