But I took the risk and go get all the money
Bitch want that dick tonight
But soon as I fuck, she like, "Give me some money"
Get it off the floor, uh
Get it in the street, bitch, you a ho
Yeah, I want some more and some more
Fuck is you doin'? Let's get us some more
Young nigga, eat (Young nigga)
Young nigga, just eat (Young nigga)
Whole lotta ice
Boogers on the Rollie, boogers on the AP, ayy
Check out them points with the lights off, uh
We selling dope cleaner than Lysol
I'm shippin' and handlin' through Amazon
Put that dope dick on an Amazon
Lookin' like, "Where you get stamina from?"
Roadrunner, trap at the Marathon
Yeah, your ho treat me like Farrakhan
Had the Ghost in the front, had to double-park
I don't use debit or credit card
Them brick houses and them blue Avatars
My lil' girl got more money in her cookie jar
I got Jungle Boys weed in my cookie jar
Flood the AP (Flood that bitch), flood the Rollie, yeah (Flood that bitch)
My MAC came with cheese, hell yeah, I might get bipolar (Big mad)
Stack the guacamole (Stack that shit)
Long way, they don't fold
I can see through his face that he told
Yeah them Forgis, they hop like toad (Ribbit)
Yeah, that Glock on me came with a pole (Let's get it)
I'ma use the hot pot, fuck the stove
I'ma leave that ho standin' at the door
Turn to renegade all on this paper
I shoot jumpers like I play for Lakers
And I'm juggin' through four thousand acres
I be makin' big juggs in Jamaica
I got Wicced to bool with the takers
We gon' do what it do with them Drakies
Iraqi shooters and them Haitians
Sak pase to Olajuwon
They shoot the Kel-Tec with one arm
They chalkin' bodies, stretchin' niggas out
They call me akh, sellin' bean pies
Green screen for you green guys
Put the red beam in between your eye
I done seen niggas die
Your codefendant testified
And the DA on our side
What the fuck was you doin'?
No insurance, headfirst
Bodybag, call the hearse
I'ma go'n and end this verse
Eat, young nigga, just eat
Longway, bitch
