Fifty for my Rollie  
Heroin bricks, they look like Beijing  
Ride them Forgis like they swangers  
Kurt Cobain, I'm sippin' on codeine  
Lemon tree, smokin' on Do-Si-Dos  
Droppin' the top on the Holy Ghost  
Who you know play in the bowl the most?  
Stack it up, load it up, get it and go  
Whoa, trap at the cornerstore  
Whoa whoa, workin' the high low  
Hit the link in my bio  
We wrappin' up shit like a gyro  
QB the play, throw the spiral  
Longway Pacino, Dinero  
Dolce Gabbana from Melrose  
I wrap the brick up with velcro  
I put the dick on Griselda, uh  
It's cheap but it keep it so stellar  
I turned all my bitches to Bella  
I hide my money with the shovel  
I shoot underground at the devil  
Brrah, Cuban links on me like Shocker, ooh

Got bodies like Gotti  
Fly private, I'm pilot  
My bitch bougie, I'm vibin'  
Purple Backwood, biscotti  
Roll the flash and paparazzi

Hit it, this my other shit  
Drop the top when I pull up with my gutter bitch  
When I wake up, doin' sit-ups, she be suckin' dick  
I do drop-offs in my pickup with my gutter bitch  
This that other shit, this that other shit  
When I pull up, drop the top, I'm with my gutter bitch  
This that other shit, this that other shit  
I do drop-offs in my pickup with my gutter bitch

I don't trust hoes like I don't trust jewelers  
Brrt in your medulla  
I'm a big dawg, your man a poodle  
Keep me a pole, I don't need no shooter  
Pussy ain't fire, then bitch I lose you  
You ain't my lady, then bitch I use you  
Had me another good bag day  
You don't want me to fuck, don't at me  
I been runnin' up racks this year  
Y'all lil' niggas been cap this year  
Everywhere you look in my house is marble  
Everything you see on my neck is water  
I ain't too rich to tote choppers still  
Streets, they'll tell you ain't robbin' him

Pussy, don't come with the head  
Then tell your best friend, "Sis, don't bother him"

Wake up and bake it  
Draco go baka  
Narcotics, I got it  
Got bodies like Gotti  
Fly private, I'm pilot  
My bitch bougie, I'm vibin'  
Purple Backwood, biscotti
