

King Pin

PeeWee Longway

King Pins need kilos, junkies they need brillo
Brick squad cool, otherside of the pillow
Nah I can't fold, money longer than limo
Ice game cold they know we sub zero
Ask your baby bro he say I'm his hero
Fat bankroll you think we play Cee Lo

My mama can't prepare me man it's unpreparable
Cross brick squad my nigga is unrepairable
Gucci Flocka bloodline thick we inseparable
And I don't give a damn you broke cause I ain't helping you
Knock up will amaze you shoes damn special bro
Better go and buy you a douce skirt skirt your extras up
Who's that at my door oh that's a regular
Hey won't remember the sound but what I'm ballin' for
Gangster crossover quick, Jamal Crawford ya
Gucci keep that white bitch with it my child's barking y'all
In Vegas I keep throwin 3 4's I herschel walker ya
And Gucci keep the hammer with him like he a carpenter

King Pins need kilos, junkies they need brillo
Brick squad cool, other side of the pillow
Nah I can't fold, money longer than limo
Ice game cold they know we sub zero
Ask your baby bro he say I'm his hero
Fat bankroll you game we play Cee Lo

With 10 piece on my wrist
That what took your bitch
These forgi's offsets
Got my old school on flex
I pull up jump out, the hoe break their neck
You can look and me and tell 'em all about a check
My ATL nigga college my nigga call it juggin my nigga we callin call it
That loud shit gottem' beatin down my traphouse early in the morning
8: 30 am and I ain't been asleep
Drinking codeine while I'm selling this p's
Same clothes 3 day runnin' thru a
See the bitch ain't never seen another nigga like me
All I need is a plug and a scale
Bosses in Los Santos Bay
Send 'em all to fucking bail
King Pin I'm selling nigga
Streets turn our sour see like everybody tellin it

King Pins need kilos, junkies they need brillo
Brick squad cool, other side the pillow
Nah I can't fold, money longer than limo
Ice game cold they know we sub zero
Ask your baby bro he say I'm his hero
Fat bankroll you game we play Cee Lo

King Pin PeeWee got Heat like Robert DeNiro
My 3 cone ice cream hittin', its full of VV
My bitch she know I'm crippin'
She rock nothin' but Chanel CC
I love but the dash on homeboy

He on drug like Longway
Why the other rest the wrong way
Get you a pack, get it gone the same day
For a clam nigga don't get delay
We living sipping on ace of spadess
On lean don't lean on security
Throw 5 on me molly gotta skirt
If you damn 5 3 in mascot
More beats 13 girl let twerk
Everybody around me got that work
Brick squad brick squad my trap jerk
MPA niggas got gas and lean
And imma go serve it to the fiend
Diamonds flawless sub zero freeze
I'm a kingpin who need OG
My wrist a few quarter key
Just left florida with florida keys

King Pins need kilos, dunkers they need brilo
Brick squad cool, I go sign all the pillo
Nah I can't fold, money longer than limo
Ice game cold they know we sub zero
Ask your baby bro he say I'm his hero
Fat bankroll you game we play Cee Lo
