PeeWee Longway

(First class trip I just went to the Moon)
(All a nigga eat is vegan food)

I was on the couch watching Star Trek
Weighing up bags I was to into it so my girl got mad
Got loud residue on my daughter iPad
Got a brand new stick with a hundred round mag
Mixing these strains I be going these hybrids
Driving this spaceship feeling like a pilot
Leave a nigga I the dirt have him pushing up violets
Bitch back stage tryna show me her private's
Selling gas all day shid I done got tired
Nigga talk too much shid I done got annoyed
Every iPhone tapped so I got a Android
On some next level shit, Imma buy a cyborg
Got a F-150 catching plays out a Ford
At the crib setting goals writing plans on the board
I ain't from England but a King like George
When I light a blunt it make too much noise
Futuristic whip it don't need no fuel
Swimming in a bitch I don't need no pool
Already smart I don't need no school
Imma shine anyway I don't need no jewels
Taking off inside of space like a astronaut do
Gotta Hydroponics set just to grow in my room
Bet a bitch catch a contact she come in my room
DMT me I just ate two shrooms

First class trip I just went to the Moon
All a nigga eat is vegan food
I just want ya face hope ya don't feel used
I just wanna tell'ya I'm not an ordinary dude
Some of these bitches be devils like Duke

I be in a whole nother galaxy
10 VPNs ain't no tracking me
And my wrist sound like a supernova
All you hear is pain inside my vocals
Made 60k from a made up social
Baby girl come here I just wanna stroke ya
Baby girl come here I wanna get to know you
When I was down bad I ain't have no one to go too
I don't wanna converse nigga I don't know you
They don't understand the shit a nigga had to go through
I'm not friendly I'm not approachable

Fuck you who is you
Fuck you
FN pop at a fuck nigga
European pants with a dub in it
Stand up in the pussy, make love in it
Flew to the West Coast now a nigga drug rich
Approachable, I'm not approachable
Whole lot of Dolce
Stepping on a brick in these Dolce's
GT cost more than a Ghost
Hear the beep beep back up the load

Spazz on yo azz 5'5, 4'4
Longway dont wanna talk no more
Gotta chop coming through we don't mop no flo'
Mr. Blue Benji got four different floor's
MPA pendant on four different hoes
When a pack come through, I want four different bow's
