Next One

PeeWee Longway

One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one

Presidential Rollie now I want the Richard Mill
Press a hundred thousand, now I want a hundred mill
Empire like Ghazi, I'll buy your lil' deal
Running round the lobby they was asking what it is
Rolling on a Molly you was popping Perc pills
Sneaking and geeking used to pull up in the hill
Happened in the kitchen, we was working niggas deals
Swipe a nigga bitch we gone fuck her out her heel's
Flew to the west and went and bought up the field
Before I knew it boy I got the box
The fox on my socks, got a John Wick Glock
Aim at ya head we gone till it chop

One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one

I whipping this coupe this shit cost me a quarter
Pull up to your house and put dick in your daughter
You niggas talk too much just like informants
I just sold a bag before I started recording
I'm hitting the gas and I whipping this foreign
I fucked her she said that she really enjoyed it
I'm cooling with PeeWee
My shoes they be CC
I'll have my lil' young niggas to spin like a CD
I'm catching these plays ain't no time to watch TV
You can hear the exhaust on the car before you see me
Imma rub on that bitch ass just like she a genie
All these chains on my neck they gone light up like UV
I just hit a thick bitch on a futon
Gotta hella loud got two tons
On to the next on had to text one
Got two guns and a double pump

One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
One to the next one and the next one and the next one
