PeeWee Longway

Watch what you sayin', don't get outta pocket  
You talkin' a band, don't get outta pocket  
Watch me reock it, plug the socket  
Glock with a thirty, gon' pull up and pop it  
Watch what you sayin', don't get outta pocket  
While I'm packin' my bag, bitch, get out my pocket

Perc-10, Roxy, Molly, might feel cocky  
Drip, water faucet  
Beatin' up the pot like boxers  
Pocket rocket tucked in my boxers  
Cook a jug, comin' out your nostrils  
Playin' with the key, need an Oscar  
Bitch bang from the side like La Costa  
Got Pinto jumpin' on the rasta (Get in there)  
Paint the bitch fat like Picasso  
Colossal shrimp with the pasta (Get in there)  
Amirir drippin' with the Louboutin' bottoms  
King James in the jungle, Mufasa  
Drip on a bitch like I'm rinsin' a bottle (Pour it, pour it up)

You talkin' a band, don't get outta pocket
