

Shake Something

PeeWee Longway

We fuck on a palette, she know she the baddest
Perc' pill and them Addies, bitch gon' call me zaddy
She bust just like an Uzi, she automatic
Them racks popped out my Gucci, baguette the Patek
Don't want you to feel like a mood
I can't hit her, then she watch her shoes
Shake somethin', she not no
Shake somethin', she not no
Shake somethin', she not no
Shake somethin', she not no

We fuckin' on a palette, we don't need a mattress
My bitch, she Ethiopian, she real attractive
I'm burning on exotic, this shit real relaxing
I hit her on the balcony, I hit with passion
I just caught a play, I stick and move
All these VVS's got me cool
Bae, I'm really tryna see you move
They don't wanna see you win, wanna see you lose
I just spent 2K to cop these shoes
I got water drippin' off my jewels
Big old plate, I put 'em on the news
I got pretty bitches by the twos

We fuck on a palette, she know she the baddest
Perc' pill and them Addies, bitch gon' call me zaddy
She bust just like an Uzi, she automatic
Them racks popped out my Gucci, baguette the Patek
Don't want you to feel like a mood
I can't hit her, then she watch her shoes
Shake somethin', she not no
Shake somethin', she not no
Shake somethin', she not no
Shake somethin', she not no

I came here to fuck up all them dudes
I see some real exotic, man, my cool
I know the pussy taste like Jamba Juice
I know she drippin' water, she been eatin' them bowls of fruit
It's hard for me to park it, had to double park the coupe
It's hard for me to fuck 'cause I been fuckin' by the two
Fuckin' on the palette, she the baddest, bought a Patek
She bust just like an Uzi, call her automatic, hah
Shake it, make it rude one time, yeah, she don't know
I'm back in the bull with a nine tryna come up
Suck it out my soul one more time 'til the sun up
She turnin' my soul, my soul one more time

We fuck on a palette, she know she the baddest
Perc' pill and them Addies, bitch gon' call me zaddy
She bust just like an Uzi, she automatic
Them racks popped out my Gucci, baguette the Patek
Don't want you to feel like a mood
I can't hit her, then she watch her shoes
Shake somethin', she not no
Shake somethin', she not no
Shake somethin', she not no

Shake somethin', she not no
