

Trap It Out

PeeWee Longway

(Let's go, Mario)
All my drugs just kicked in
I'm high as a motherfucker, you hear me?
(That boy Cassius)

Sippin' on the Henn', in the cut like cappuccino
Mike Amiri camo and my stick by Valentino
Every single night I make a movie like it's Vimeo
Heard these niggas tweakin', I'ma smoke 'em like a premo
Show that bitch the freezer, this that Rich the Kid lingo
Back-to-back the Bentley, now she tired of playin' bingo
Neighbors talkin' crazy, went and bought they house on Zillow
AK on the table and the Glock right by my pillow
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out

Standin' in the kitchen, vacuum seal, workin' deals
Purple, red, and green, know my lean plug trill
Worth a couple mil, came from trappin' out a deal
Got sticks, AKs, and Glockes inside my trap, we bang for real
House up on the hill, fuck it, fuck it, trap it out
Trappin' pay the bills, this a one-stop shop
Huh, bales on the floor, rudeboy, bomboclaat
Thousand eight inside the pot, we gon' skrrt skrrt off the lot
Boot up, fuck the finest thot
Baguetty my neck, my diamonds shine
Get in the pot like Einstein
Cullinan, skrrt, skrrt, ooh, hit it
In the trap like bom-bom
Bom-bom, bom, bom, bom
If it's 'bout mine, like the Loc, don't mind dyin'

Sippin' on the Henn', in the cut like cappuccino
Mike Amiri camo and my stick by Valentino
Every single night I make a movie like it's Vimeo
Heard these niggas tweakin', I'ma smoke 'em like a premo
Show that bitch the freezer, this that Rich the Kid lingo
Back-to-back the Bentley, now she tired of playin' bingo
Neighbors talkin' crazy, went and bought they house on Zillow
AK on the table and the Glock right by my pillow
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out
Fuck it, trap it out, fuck it, fuck it, trap it out (Baby)

From BD to Longway to Zay-Zay to Whit Loc
From that door to that door, them folks know I sold dope
The way it cuff the Draco, I done fell in love with long coats
Standin' at the store, the bags for low, this what I'm known for
Trappin' out them houses, I been puttin' on for Zone 4
Goin' to school with pistols, had a 38 with the long nose
Arguin' with my bitch, I keep gettin' caught up with the wrong ho
Since I'm low, I'm extra flashy
Country boys, I love to tax 'em
Police hot, we still got traffic

Turned up my whole hood off rappin'
My little buddy 'dem get active
Ain't the one for rappin' cappin'
Pounds on floor and racks in cabinet
Make sure that my cars the fastest
Make sure that my bitch the baddest
Make sure they don't cut my lean
Trappin' out a foreign, trappin' out a foreign
Trappin' out a motherfuckin' foreign
Trappin' out a foreign, trappin' out a foreign
