

Y Not?

PeeWee Longway

Why would I sign a deal when I can sell a hundred bags
Why not heat that Pyrex work my wrist because I can
Why would I front your ass and they gone sell out before they land
Why not get some money you had the same 24 I had
Why not break it down
Why not sell it whole
Why not work the mail
Why not work the road

Why not break it down
Why not sell it whole
Why not work the mail
Why not work the road

Why not put my mans on having plenty when they land
Signed to the scale the trap just gave me my advance
Why yeen getting no money pockets looking like they fast
You give your all to a bitch I rather give the plug my last
Why not vacuum seal and tape it before you hit the road
Ups I'm Steve Nash assist across the globe
Minus the rhythms you niggas Bustas I'm in flip mode
And I just got a field load picked it up from field more

Why would I sign a deal when I can sell a hundred bags
Why not heat that Pyrex work my wrist because I can
Why would I front your ass and they gone sell out before they land
Why not get some money you had the same 24 I had
Why not break it down
Why not sell it whole
Why not work the mail
Why not work the road

Why not break it down
Why not sell it whole
Why not work the mail
Why not work the road

Why not run them bands up face as you can
Why not hit the road like I'm the ginger bread man
Why not cook a brick and make the bitch go catch a tan
Covid just like sprinkles we keep coming up with strains
Why not work the mail and fill that box up with them zanxs
Why not work the scale when you got zaza on demand
Migo got the fetty my lil bitch she do the scams
I cook up the ready auntie smoke it off a can

Why would I sign a deal when I can sell a hundred bags
Why not heat that Pyrex work my wrist because I can
Why would I front your ass and they gone sell out before they land
Why not get some money you had the same 24 I had
Why not break it down
Why not sell it whole
Why not work the mail
Why not work the road

Why not break it down
Why not sell it whole

Why not work the mail
Why not work the road
