Pegboard Nerds

Can you count, suckers?
I say, the future is ours if you can count!

Can you dig it?
Can you dig it?
Can you dig it?

That's 20,000 hardcore members!

Can you dig it?

Now, look what we have here before us
Nothing would move without us allowing it to happen
Because we got the streets, suckers!
Nobody is wasting nobody
That is a miracle
And miracles is the way things ought to be

That's 20,000 hardcore members!
