

Dream On

Pegboard Nerds

Today is the day
That we gotta do something
Don't know what to say
But I feel nothing

So tell me when
To lean on
Tell me when
To dream on
Tell me something
That I like

Dream on

Today is the day
That we gotta do something
Don't know what to say
But I feel nothing

So tell me when
To lean on
Tell me when
To dream on
Tell me something
That I like

Dream on

So tell me when
To lean on
Tell me when
To dream on
Tell me something
That I like
