

# Emergency

Pegboard Nerds

Emergency  
Let me be absolutely clear  
This is mine but I'll let you in  
Gather round, take a part of it, of me  
Of me  
A wasted life seems to mean the most  
But these seconds are valuable  
Breathe in change or let it go  
And breathe  
Emergency  
Emergency  
  
Emergency  
Emergency
