Escape

You're the only one, the only one I know  
You're the only one, the only one I know  
Believe and escape

Yeah, put your hands up in the air  
You're the only one I know  
You're the only one I know

You're the only one, the only one I know  
You're the only one, the only one I know  
You're the only one, the only one I know  
You're the only one, the only one I know  
Believe and escape

Yeah, put your hands up in the air  
You're the only one I know  
You're the only one I know

You're the only one, the only one I know  
You're the only one, the only one I know
