

Falling Apart

Pegboard Nerds

Watch my life pass me by
Never knowing where I belong
In the web of love and lies
As you string me along and

I can't breathe
I can't see
I'm losing sight of everything
I feel the walls closing in (closing in)

Am I falling apart
Oh I just wanna be free
I just wanna be free

I think I'm falling apart
I just wanna be free
Free, free

I'm falling apart
I'm falling apart
I'm falling apart
I'm falling apart

I can't breathe
I can't see
I'm losing sight of everything
I feel the walls closing in (closing in)

I feel I'm falling apart
(I feel I'm falling apart)
I'm falling apart
I'm falling apart
(Think I'm falling apart)
I'm falling apart
I'm falling apart

Watch my life pass me by
Never knowing where I belong
In the web of love and lies
As you string me along and

I can't breathe
I can't see
I'm losing sight of everything
I feel the walls closing in (closing in)

I feel I'm falling apart
I feel I'm falling apart
I'm falling apart
I'm falling apart
I'm falling apart
I'm falling apart

I feel I'm falling apart
(I feel I'm falling apart)
(I feel I'm falling apart)
I'm falling apart

I'm falling apart
I'm falling apart
I'm falling apart
