

Heaven Let Us Down

Pegboard Nerds

I'm not cut out to hold a smile
When I'm without
When I am down
When you're around
But you're not mine
I'm holding on for stars
To align

Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down

(Down, down, down, down)
Heaven let us

Heaven let us
Heaven let us

Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down

I bought the lie
And crawled inside
I won't come out
While I'm alive
The suit and tie
Hold me tight
Around my neck
'Till I comply

Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down
Heaven, heaven
Heaven let us down

(Down, down, down, down)
Heaven let us

Heaven let us
Heaven let us

Heaven, heaven
Heaven let us down
Heaven, heaven

Heaven let us down
Heaven, heaven
Heaven let us down
