

Rhythm Is A Dancer

Pegboard Nerds

Rhythm is a dancer
It's a soul's companion
You can feel it everywhere
Lift your hands and voices
Free your mind and join us
You can feel it in the air

Ooh, it's a passion
Ooh, you can feel it in the air
Ooh, it's a passion, ooh

You can feel it
You can feel it
Rhythm is a dancer

Rhythm is a dancer

You can feel it
You can feel it
Ooh, you can feel yeah

Rhythm is a dancer
You can feel it in the air

Ooh, it's a passion
Ooh, you can feel yeah
Ooh, it's a passion
Ooh, it's a passion, ooh

Rhythm is a dancer
It's a soul's companion
You can feel it everywhere
Lift your hands and voices
Free your mind and join us
You can feel it in the air
