

## Stardust

Pegboard Nerds

The Cosmos is all that is or was or ever will be  
Our feeblest contemplations of the cosmos stir us  
We know we're approaching the greatest of mysteries  
We are stardust

There's a tingling in the spine  
A catch in the voice  
A faint sensation as if a distant memory of falling from a height  
We know we're approaching the greatest of mysteries  
We are stardust

We are stardust
