Talk About It

Pegboard Nerds

Talk to me
Talk to me

There is something going on here
It fills me up-up, brings me to tears
I've been waiting on this for years
So just tell me
Can we talk about it?

I know you are one for many words
But what I feel is so deep it hurts
I am down to put in the work
So just tell me
Can we talk about it?

Can we talk about it?
Can we talk about it?
Do we talk about it?

Tell me, can we talk about it?
(Talk to me)
Can we talk about it?
Can we talk about it?
(Talk to me)

You run well like it's all a game
Hoping that I will feel the same
Then you leave me out in the rain
So just tell me
Can we talk about it?

Your kiss is something I can't forget
Fills me with heat, never regret
This is some winner we don't have yet
So just tell me
Can we talk about it?

Can we talk about it?
Can we talk about it?
Do we talk about it?

Tell me, can we talk about it?

Tell me, can we talk?
(Talk to me)
Can we talk about it?
(Talk to me)

Talk talk
Talk talk

We don't talk

Talk talk
Talk talk

Can we talk about it?

Talk talk

Tell me, can we talk?
(Talk to me)
Can we talk about it?
(Talk to me)

Talk talk
(Talk to me)
Talk talk
(Talk to me)
(Talk to me)
(Talk to me)
