## Come in from the Rain

Well, hello there Good old friend of mine You've been reaching for yourself For such a long time There's so much to say No need to explain Just an open door for you To come in from the rain

It's a long road When you're all alone And a man like you WILL ALWAYS CHOOSE THE long way home

There's no right or wrong I'm not here to blame I just want to be the one Who keeps you from the rain From the rain

And it looks like SUNNY SKIES Now that I know you're alright Time has left us older AND Wiser, I know I am

'Cause I think of us Like an old cliche But it doesn't matter 'Cause I love you anyway COME IN from the rain

And it looks like SUNNY SKIES Now that I know you're alright Time has left us older AND Wiser, I know I am

And it's good to know My best friend has come home again

'Cause I think of us Like an old cliche But it doesn't matter 'Cause I love you anyway COME IN from the rain
