

# Deep Purple

Peggy Lee

When the deep purple falls  
Over sleepy garden walls  
And the stars begin to flicker in the sky

Through the mist of a memory  
You wander back to me  
Breathing my name with a sigh

In the still of the night  
Once again you hold me tight  
Though you're gone, our love lives on  
When moonlight beams

And as long as my heart will beat  
Lover, we'll always meet  
Here in my deep purple dreams

As long as my heart will beat  
Lover, we'll always meet  
Here in my deep purple dreams
