

# I Can't Resist You

Peggy Lee

I can't resist you  
Heaven knows that I should  
And I would if I could  
But I can't, I can't, I can't

I can't resist you  
When I'm looking at you  
You can practically do  
As you please

I'm yours completely  
From my head to my toes  
Every part of me knows  
That I'm yours, I'm yours, I'm yours

I'm yours completely  
Every time that you speak  
I begin to get weak  
In the knees

I try to be strong  
But something goes wrong  
I'm in your power when I'm in your arms  
I've tried to stop fate  
But now it's too late  
So I, I don't even try

Cause I can't resist you  
I'm a coward to say  
You affect me this way  
But you do, you do, you do

I can't resist you  
Heaven knows that I should  
And I would if I could  
But I can't, I can't resist you
