

I Can't Stop Loving You

Peggy Lee

I can't stop loving you, I've made up my mind
I live in memory of old lonesome times
I can't stop wanting you, useless to say
So I'll just live my life in dreams of yesterday

Those happy hours that we once knew
Though long ago, still make me blue
I can't stop loving you, no use to try
Pretend there's someone new, I can't live a lie

I can't stop wanting you, the way that I do
There's only been one love, that one love is you
There's only been one love for me, and that one love is you
