

# I've Got You Under My Skin

Peggy Lee

I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin

I've tried so not to give in  
I've said to myself this affair never could go so well  
But why should I try to resist, when darling I know so well  
I've got you under my skin

I'd sacrifice anything come what may  
For the sake of having you near  
In spite of a voice that comes in the night  
And repeats in my ear

Don't you know little fool, you never can win  
Use your mentality, wake up to reality  
But each time I do, just the thought of you  
Makes me stop before I begin  
'Cause I've got you under my skin

(Musical Interlude)

I'd sacrifice anything come what may  
For the sake of having you near  
In spite of a voice that comes in the night  
And repeats in my ear

Don't you know little fool, you never can win  
Use your mentality, wake up to reality  
But each time I do, just the thought of you  
Makes me stop before I begin  
'Cause I've got you,  
yes I've got you,  
I've got you,  
Under my skin
