

Listen to the Rockin' Bird

Peggy Lee

Listen to the rockin' bird, listen to the rockin' bird
He rocks and rolls while he flies around the sky
Ooh listen to the rockin' bird, listen to the rockin' bird
He's flyin' high and here's his reason why

Oh I rock all day and the breezes on the branches of trees's
Rock and roll all day in the trees's
On the branches of the trees's of the day

Listen to the rockin' bird imitate a mockingbird
Or sing the blues like a bluebird never sang
Don't tell me you've never heard
Never heard a-rockin' bird
He rocks and rolls and mocks the whole shebang

The rockin' bird, the rockin' bird
The bird, the bird, the rockin' bird, the bird
Ooh listen to the rockin' bird, listen to the rockin' bird
That's simply shocking, popping, bopping, mocking
Rockin' bird
