Oh! You Crazy Moon

When they met, the way they smiled I saw that I was through Oh, you crazy moon What did you do

And when they kissed, they tried to say That it was just in fun Oh, you crazy moon Look what you've done

Once you promised me, you know That it would never end You should be ashamed to show Your funny face my friend

(And) There they are, they fell in love
I guess you think that you're smart
Oh, you crazy moon
You broke my heart
