

## Shady Lady Bird

Peggy Lee

I'm gonna be a shady lady bird  
I got an awful lot to learn  
But if you tell me that my heart's on fire  
I'm gonna let it burn

I'm gonna be a shockin' mockin' bird  
I'm gonna mingle with the best  
I'm gonna try to find my heart's desire  
I'm gonna rob the nest

Just like little miss muffett  
Eating her whey and curds  
When I act a bit tough  
I frighten away the birds

I'm gonna be a slummin' hummin' bird  
I'm gonna pass along the word  
I'm gonna have my fun and never tire  
And if my technique seems absurd  
That's because I've never been  
A shady lady bird.

(Musical Break)

I'm gonna be a shady lady bird  
I hope the payment is deferred  
For if I fly back safely to my perch  
And find the worst has not occurred  
That's because I've never been  
A shady lady bird.
