

The Comeback

Peggy Lee

I know my baby is gonna jump and shout
I know my baby boy is gonna jump and shout
When the train rolls in, I come walking out
Hold out baby, I'll be back one day
Hold out baby, I'll be back one day
Please don't let nobody leave my baby astray
Bye-bye baby, guess I'll be on my way
Bye-bye baby, guess I'll be on my way
I'll find my little loving baby, somehow someday someway
I know my baby is gonna jump and shout
Is gonna jump and shout
I know my baby is gonna jump, is gonna jump
Is gonna jump and shout
When the train rolls in, I come walking out
Hold out baby, I'll be back one day
Hold out baby, I'll be back one day
You can trust me, baby, no matter what they say
Come back
