

There'll be Some Changes Made

Peggy Lee

There'll be a change in the weather and a change in the sea
From now on there'll be a change in me
My walk will be different, my talk and my name
Nothin' about me is gonna be the same
I'm gonna change my address and get a penthouse with a view
Everything is gonna be brand new
With an unlisted telephone that is except for you
There'll be some changes made today
There'll be some changes made

I think I'll even do some travelin', have a swingin' time
May even go to London just to hear Old Big Ben chime
Then off to Paris for a fourneau or two
Or up to Stockholm, that's what I'm gonna do
And then I'd like some Wiener Schnitzel in Vienna, or two
Drink champagne from a slipper if I take an ocean too
May even do some waltzing if I can dry out my shoe
I'm gonna change a thing or two
Yes, there'll be some changes made
