

## Where Do I Go From Here

Peggy Lee

If I knew the way I'd go back home  
The countn/side has changed so much, I'd surely end up  
lost  
Half-remembered names and faces so far in the past  
On the other side of the bridges  
That were burned once they were crossed  
Tell me where, where does a fool go  
When there's no one left to listen  
To a ston/without meaning that nobody wants to hear  
Tell me where, where does a fool go  
When he knows there's something missing  
Tell me where, where will I go from here  
Where will I go from here  
Get back home where my childhood dreams and wishes  
Still are none of my regrets  
Go back to a place where I can figure all the odds  
Have a fighting chance to lose the blues  
And win my share of bets  
Tell me where, where does a fool go  
When there's no one left to listen  
To a ston/without meaning that nobody wants to hear  
Tell me where, where does a fool go  
When he knows there's something missing  
Tell me where, where will I go from here  
Where will I go from here  
Tell me where, where does a fool go  
When there's no one left to listen  
To a ston/without meaning that nobody wants to hear  
Tell me where, where does a fool go  
When he knows there's something missing  
Tell me where, where will I go from here  
Where will I go from here  
Tell me where, where does a fool go  
When there's no one left to listen  
To a ston/without meaning that nobody wants to hear  
Tell me where, where does a fool go  
When he knows there's something missing  
Tell me where, where will I go from here  
Where will I go from here
