

## (Love Is Like A) Heatwave

Peggy Sue

Whenever I'm with him  
Something inside starts to burnin'  
And I'm filled with desire  
Guess it's just the devil in me  
Or is this the way that love's supposed to be?

It's like a heat wave  
Burnin' in my heart  
I can't keep from cryin'  
It's tearin' me apart

Whenever he calls my name  
So soft, sweet and plain  
I feel him right there  
I feel that burnin' flame  
Has high blood pressure got a hold on me  
Or is this the way that love's supposed to be?

It's like a heat wave  
Burnin' in my heart  
I can't keep from cryin'  
It's tearin' me apart

It's like a heat wave  
It's like a heat wave

Sometimes I stare in space  
Tears all over my face  
I can't explain it  
Don't understand it  
I ain't never felt like this before  
Guess it's just the devil in me  
Or is this the way that love's supposed to be?

It's like a heat wave  
It's like a heat wave
