Chirpin'

Pell

I don't need much but I want it all, answer my phone when the money call
I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin' I'm chirpin' I'm chirpin'
Need to get off of the internet, searching for something more intimate
I'm closing up all of the curtains, and hiding way under the surface

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

Always been down to the asphalt
Head in the clouds when I blast off
Riding round bumping that future, stealing yo girl with my mask off
If was intentional, I was just chirpin', she hit me up
I was just giving her twitter hugs
But flirting in person way different love
Play with her heart like it's candy crush
She wanna star and I wanna fuck
Doing commercials and getting funds
In my green bubble I Samsung
I sleep when I'm dead
Rest when I'm tired
So many shows I should host a late night
I sleep when I'm dead
Rest when I'm tired
So many shows I should host a late night
LA tonight
Nola tomorrow
I been on ghost so I ain't see you called

I don't need much but I want it all, answer my phone when the money call
I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin' I'm chirpin' I'm chirpin'
Need to get off of the internet, searching for something more intimate
I'm closing up all of the curtains, and hiding way under the surface

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'
I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch

I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

Always been down to the asphalt
Got a catalog, that you can't ignore
Spit a cannon balls, when I rattle off
Tell a dick rider pull the saddle off
Might puff once albuterol
I need a moment to breathe
Long as we got trump in office
I done forgot where to sleep
I done forgot what is peace
Shame we gotta plea
Telling me that we got freedom
But I ain't forgot what it mean
I don't need much but I do deserve it
For I spit a sentence they all know the verdict
Hit the liquor store fuck a bottle service
I don't need the club money got me nervous
I'll splurge when I'm dead
Save while I live
Grind overnight and retain ownership
LA Midnight
NY at 10
I been on ghost so excuse
If I dip

I don't need much but I want it all, answer my phone when the money call
I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin' I'm chirpin' I'm chirpin'
Need to get off of the internet, searching for something more intimate
I'm closing up all of the curtains, and hiding way under the surface

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'
I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'

I'm chirpin' I'm chirpin' I'm chirpin'
I'm chirpin', Bitch
I'm chirpin' I'm chirpin'
