

Dammit straight it, I'm appreciated  
But still underrated  
I got girls all in they feelings  
Might just send them on vacation  
Man you know who got the juice  
Ain't no need to check your pantry  
You know I play the perfect hand  
Still I had to up the ante  
I was in the plain pits, dog, like, "where the album sales?"  
Shit, I know damn well, 'cause I went AWOL  
Nation on my back, least that's what my people tell me  
No mistaking, can't avoid it, but it looks so damn healthy  
Partners blowing KK, should pay us for a selfie  
Make you sing like Ray J, hit it first and then come tell me  
Mama worried if I'm happy, 'cause I just turned off my celly's  
Take a car ride after business, 'cause some broad just hit the telly  
Know I'm in (Wooh!), know I'm fucking in it  
Having problems with commitments, I was spiteful when I did it  
I admit it, but my honesty don't mean that I could fix it  
Gon' pop a few for pimp, or at least the G's that's with me

Man I swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
I could say I'm sorry, but I can't tell a lie  
Man I swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
I've been feeling awesome, living on a high

I would say I'm sorry, but I can't tell a lie  
I've been feeling awesome, living on a high  
You say that you feel me, let me ask you why  
'Cause you don't really know me, you just know I stick to the code  
London calling with the cake, we at birthdays  
Still got real ones by my side, on my worst days  
Pick a shone for Brody, he met her on third base  
Got holy water in our boxes if she thirsty  
Running this here, till I'm out of options  
Fuck a double entendre, I'm a mother fucking monster  
After going to your CD release, surprised you dropped it  
Thought you was fly as a cockpit, you plummet before you profit  
"Who the man?" Do I even got to ask myself  
I was tired of being broke I had to cash myself  
Got a flow that's so dope, I can cash myself  
Hit the mall and buy it all, so I could act myself

Man I swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
I would say I'm sorry, but I can't tell a lie  
Man I swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
Swore I wouldn't stunt, swore I wouldn't stunt, swore I wouldn't stunt  
I've been feeling awesome, living on a high
