

# Hear Me

Pell

Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?

Mama watching television  
Telling me avoid the system  
Hoping I ain't lose religion  
Texting prayer hands hope the message sending  
Know I've been blessed  
I been seeing profits  
Mustard yellow shirts  
Louder than the broccoli  
Dancing in my chucks feeling out-of-body  
Safe to say the Man got me

Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?

Flowers all in my system  
Mary been the one I'm kissing  
Juan might roll extensions  
Now the roaches look like fucking expeditions  
Man it's too loud hear me in your city  
Cause a hotbox when I start spitting  
Too much drive need some power steering  
Cruising to a better vision

Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?

Mama  
Dirty the roads that I've traveled but I'm on my way  
Mama  
Trust all these steps on my journey cause I'll be ok  
I know it's gotta hurt, when you know you could have a president inside your  
womb  
Guess that I would rather be the man  
Maybe one day I'll go back to school  
Think I'm prolly kidding but I stil mean it, they been trying to school me  
But I've been a genius  
Cali looking more like home  
Since I made moves

Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?  
Can you hear me, hear me, hear me, hear me, hear me, hear me, now?
