Pell

I get so high when I'm around you  
I can't leave from round you  
I get so high when I'm around you  
Why would I wanna leave you now?

Thinking bout leaving but who I'm kidding  
It's hard to stay mad when I'm happier with ya  
Played you like sports now The brother committed  
So high that I'm wheezing the sky is the limit  
High when I'm around you, you, you  
The floor is the ceiling  
The roof where we sitting  
So high that my the ozone my nigga  
You tell me yo thoughts when nobody else listen up  
Comfort exists  
When you open up  
So tell me what body what tryna say  
Love only works when you out ya own way  
So don't fight the feelings you feeling  
Just float  
And I'ma dance in like disco  
Take me so high  
I could just coast  
Good things take time  
Go slow  
With love yours truly
