Pell

Out of it, out of it, out of it  
Out of it, out of it, out of it  
Out of it, out of it, out of it  
Bye bye  
Out of it, out of it, out of it  
Out of it, out of it, out of it  
C'est la vie, out of it, out of it  
Bye bye

LA nights, virtual lights, something out of fairy tale  
You know Snow White  
Family back home but they don't show love  
That's why we at the club, [?]  
Paying for my drinks, guess you talking my language  
Got your contacts, now I'm making the arrangements  
Eyes wide shut, see what I'm saying  
Run from the light, don't chase it, baby

Reach out and touch my soul  
Tired of logic lying to me  
Reach out and make me whole  
Fill me with life 'cause I'm incomplete

Out of it, out of it, out of it  
Out of it, out of it, out of it  
Out of it, out of it, out of it  
Bye bye  
Out of it, out of it, out of it  
Out of it, out of it, out of it  
C'est la vie, out of it, out of it  
Bye bye

2AM, still with me, made mistakes we can't change  
But that's okay  
Been there before, deja vu, happened once more  
Sitting in the room of your mama, decor, the third floor  
I remember vivid  
Playing with some drinks, I'm surprised I ain't forget it  
Tequila been your favorite for a minute  
Two Fingers, knew the brand specific  
Hold your liquor but you know that thang was dripping  
And I would have went home, but we kept on sipping  
Talking Donald Glover, we were childish, I admit it  
Happy that some sober thoughts ain't stop us from tripping  
Tied up, like our tongues, only 'cause we were friendly  
And we ain't even shagged, though I told my friends different  
Hope that you forgive me, also hope that this song ain't just a memory  
That is something only in the past  
To keep me from my future, looking back  
But alas, just

Reach out and touch my soul  
Tired of logic lying to me  
Reach out and make me whole  
Fill me with life 'cause I'm incomplete

Out of it, out of it, out of it

Out of it, out of it, out of it  
Out of it, out of it, out of it  
Bye bye  
Out of it, out of it, out of it  
Out of it, out of it, out of it  
C'est la vie, out of it, out of it  
Bye bye
