

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

I done seen, money trees, growing in my grandma backyard
I was teen on codeine thinking how ima make it home
My first time I was lost, best believe a nigga got found
Due to time I was gone but my heart lies in the south
19 where they ride clean summertime dont go outside
Still tho we be on road, gettin lost smoking out the pound, saying

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

I need my money on time
Please don't play with my racks
I been there I done that
I said that did that
Wanna go back but I can't
Sleeping on couches
Phone off but them hoes
Still dialing
Funny how money wasn't part of my pockets but it's hear now

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

Get money love women thats the motto, where the money go thats where women follow

Get money love women thats the motto, cause you never know if you gon see to morrow

Hungry, hungry, hippo
Everything look like some dinner
Put them bags inside the sprinter
I got places I gotta b
New threads from hotel converse on my feet
Free solo at the show now Shorty wanna peak
World go crazy, so I might as well too
Had my money tied up best believe I'm tryna recoup
Send that check through the mail
Then it's time to reboot
Mix the weed with the juice
I'm tryna feel loose
She hit my phone say it's time for night cap

Treat it like a keg, bitch I might tap
Living for today fuck tomorrow
Need it right now
Balling I'm in iso
Jordan bitch flight mode

Get money love women thats the motto, where the money go thats where women follow
Get money love women thats the motto, cause you never know if you gon see to morrow
Get money love women thats the motto, where the money go thats where women follow
Get money love women thats the motto, cause you never know if you gon see to morrow
