

## Now You Know

Pell

Staying up, no appetite, yeah  
See the sun rise every night  
Hung on constant thoughts of you, oh  
I got constant thoughts of you, oh oh oh oh  
Does he treat you right at all? No  
It's such a trip I knew I'd fall in love  
With a woman such as you, oh  
Constant thoughts of you, oh

See you in the parking lot, yeah  
10 a.m. or 6 o'clock  
And I ain't ashamed it's true, oh  
It's such a lovely view, oh  
I know I should be doing something  
But I really don't care  
I said I really don't care  
I said I really don't care

Staying up, no appetite, yeah  
See the sun rise every night  
Hung on constant thoughts of you, oh  
I got constant thoughts of you, oh oh oh oh  
Does he treat you right at all? No  
It's such a trip I knew I'd fall in love  
With a woman such as you, oh  
Constant thoughts of you, oh

Count and go in every city  
Making love with every dance  
Selling dreams and I'll fulfill it  
Stealing hearts with every chance  
[?] like I'm riding on bench  
But when I'm in the game, full court, aw swish  
God damn  
See you through the window of my crib  
Wonder why you never made a visit 'round here  
Yeah. Made a visit 'round here  
Know you got a man but it's different 'round here  
I'm something off the hook I ain't fishin 'round here  
Uncle Sam 'round here. I'm the man 'round here  
But you would never know cause you ain't got time  
Pokin' through the blinds, fantasizing in my mind  
Managing my anger. Avoiding dark places  
I need a little time  
Woosah, Woosah

Staying up, no appetite, yeah  
See the sun rise every night  
Hung on constant thoughts of you, oh  
I got constant thoughts of you, oh oh oh oh  
Does he treat you right at all? No  
It's such a trip I knew I'd fall in love  
With a woman such as you, oh  
Constant thoughts of you, oh

Oh girl, I'll be standing right here  
'Till I see the sun in your eyes with it

I'm alone, girl my obsession is you  
And I can't leave you alone  
So I wrote you this song  
Now you know  
Now you know know know. Now you know  
Now you know know know. Now you know  
Now you know know know. Now you know  
That I wrote you this song  
Now you know
