

Really Really

Pell

Baby come here
Come and get it (get it)
I been honest
But you been tripping (tripping)
Now I'm popping
Up in my city (city)
Baby lemme suck them tiddies (tiddies)

I just wanna lick it up
Oh that's your mans, I'll stick him
I got that shit that you don't know about
It's crazy all the shit that these rappers do for clout
Baby lemme let you live your dream life
Zack and Cody this a sweet life
Baby don't be bitching can you be nice
She causing all them problems black g Nike's
If I let you in don't be acting star struck
I don't know how this happened it was all luck
Don't give me credit yet just be cool yeah
Are you serious?
Yes really really

Baby come here
Come and get it (get it)
I been honest
But you been tripping (tripping)
Now I'm popping
Up in my city (city)
Baby lemme suck them tiddies (tiddies)

I'm gone nom nom nom
Treat dat pussy like it's edible
Tell me when you comin
I can't let up til you let me know
Say she start seein stars
Guess I hit her with that telescope
Vegan but eat meat on the weekend
We cheifin vegetables
I...
Motor boat them tittes
And the pack
That's a fact
Drop the lo
And I'm gone pull up where you at
I'm tryna come through with a lil green
Baby yoda
On the hunt like bobba
Just to see them ariollas
Shawty know they call me kr3wcial
But she sassy she Anthony
Get down if ya nasty
I'll leave this family on ya mammaries
Do it for la daddy
Baby do it for a dilf
I get Ratchet when I'm pilt
When I say titties you say Milk
Titty milk

Let me suck ya tiddies baby
Let me suck ya tiddies baby
Let me suck ya tiddies baby
