

## Simple And Plain

Pell

Sunny days, commonplace  
Ain't a cloud that's in my way  
When I met you I was young, I was immature  
Place the blame on mistakes  
Ain't a thing that I could say  
Cause goodbye's just a sad excuse for two

I can't remind myself 'cause I just can't let it go  
Can't we rewind to where we were before

Simple and plain I guess  
Simple and plain I guess 'cause I just don't know  
Simple and plain I guess  
I only played myself 'cause I just don't know

Silver nights ain't as nice  
As the sparkle in your eyes  
In this moment I feel good, I feel so alive  
Place my hand on your face  
Ain't a thing that I would change  
And tonight it's just me and you for sure

I can't remind myself 'cause I just can't let it go  
Can't we rewind to where we were before

Simple and plain I guess  
Simple and plain I guess 'cause I just don't know  
Simple and plain I guess  
I only played myself 'cause I just don't know  
Simple and plain I guess  
Simple and plain I guess 'cause I just don't know  
Simple and plain I guess  
I only played myself 'cause I just don't know

I just don't know  
Lookin' at the past and we just don't grow  
Feelings we just don't show  
I just gotta let you know

I can't remind myself 'cause I just can't let it go  
Can't we rewind to where we were before

Simple and plain I guess  
Simple and plain I guess 'cause I just don't know  
Simple and plain I guess  
I only played myself 'cause I just don't know
