

Napalm

Pendulum

Drop bombs, we 'bout to go napalm
Drop bombs, we 'bout to go napalm

Napalm
Bo-bomb-bombs, na-napalm
Drop bo-bombs, napalm

Mind control, break your jaw
Heat 'em up, break the law
Spit poison, got to get the flame on
Drop bombs, we 'bout to go napalm
Drop kick, pop smoke, disappear
Skywalker, got no fear
Get smacked with an open palm
Drop bombs, we 'bout to go napalm

Drop bombs, we 'bout to go napalm

Napalm
Bo-bomb-bombs, na-napalm
Drop bo-bombs, napalm

Drop bombs, we 'bout to go napalm
