

## The Island, Pt. I

Pendulum

What are you waiting for?  
When everything is said and done  
So looking for answers if only one  
We come undone

We come undone

What are you waiting for?  
Just surrender here tonight  
What are you waiting for?  
As we go towards the light

When everything is said and done  
So looking for answers if only one  
Turn my back the urge has gone  
Left with no reason, we come undone

We come undone

What are you waiting for?

When everything is said and done  
So looking for answers if only one  
Turn my back the urge has gone  
Left with no reason, we come undone
