

Arm Candy

Penny & Sparrow

So we age like sweating dynamite
Our nitroglycerin crystallized
Don't touch us maybe we'll be fine
Call us arm candy, let's socialize

Can we eat your fever? We could try
You need new leaders, open wide
You slide and follow all day long
Some things you swallow or choke upon

Too hot, to touch, too few, too much
Will you, be kind, don't know, I might
Too cold, to hold, too new, so soon
I will, oh my, I might, I might, I might

When it comes to giving up we can win blue ribbons
If a shut mouth is more than enough for new beginnings
What do we argue for?
Why do we even argue anymore?
Everyone's in on fixing scores
So, re-focus
On a better sight me here in this low cut dress
God bless
Here is everything you missed
And much more
So much more
There's so much more
So much more
So, so much more
