

# Bones

Penny & Sparrow

When my skin is done  
Or my sickness fills the air  
In my silent final prayer  
My heart is yours  
If your body creeks  
And your broken bones are fears  
No matter the years  
My heart is yours  
And I know I'll break down  
And I know that you will crumble  
But part of me's unending hear it say...  
I love you... I love you... I love you...  
I love you... I love you... I love you...  
I love you... I love you... I love you... I do
