

Serial Doubter

Penny & Sparrow

Why'd you up and run away?
Why'd you up and run away from me, darling?
'Cause you don't have to, my serial doubter
'Cause you don't have to, my love

Why'd you up and run away?
Why'd you up and run away from me, darling?
'Cause you don't have to, my serial doubter
'Cause you don't have to, my love

Why'd you up and run away?
Why'd you up and run away from me, darling?
'Cause you don't have to, my serial doubter
'Cause you don't have to, my love
