

# Thunder

Penny & Sparrow

My heart's like a fireplace in summer  
It's useless and only here for show  
I don't know what it is I'm after  
I just hope I find it when I go

If I'm honest I say, "I love the distance."  
So daily I pack a bag and leave  
I think, "This must be it  
You must be tired of my shit."  
But then you're in the driveway holding me

'Cause all I've got is thunder  
Noise inside my holster  
And if I can't have you, then I'm probably through  
Because all I've got is thunder

I can't help it, I'm crying through my party  
I'm useless unless I'm holding you  
The outside is telling me it wants me  
I wanna stay at home and be with you

'Cause all I've got is thunder  
Noise inside my holster  
And if I can't have you, then I'm probably through  
Because all I've got is thunder

I'm talking with no teeth, yeah I'm prone to be  
And all I've got is thunder  
Noise with nothing after  
And if I can't have you, then I'm probably through  
Because all I've got is thunder
