

Sigh! This heat is breaking my mind
Sweat! New record high
You're being such a bummer
Jesus Christ, Jesus Christ

Ziplock of Rummies, Haribo gummies
Melt without warning, they're a puddle now
Eat all the drippings, see what'd I tell ya
Don't need a freezer, you can drink em down
Oh oh

I dunno maybe, turn up the speaker
Sounded like Baby can you dig your man?
Damn that's some track, hotter than our thermostat
Feels like I'm gonna

Die! This heat is breaking my mind
Sweat! New record high
You're being such a bummer
Jesus Christ, Jesus Christ
Whoa
