

Fun and Games

Pennywise

When you hear those voice coming in loud and clear pay heed and
- take your time before you step To change your world it only
takes one split second so - watch your step before you leap It'
s all fun and games until someone gets hurt It's all fun and ga
mes till sorrow It's all fun and games until someone gets hurt
It's all fun and games I'm not a Fucking joke She's playing wit
h my head Tearing at my heart She's been a messin' Jas(on) I've
been afraid to raid her because I find I need a last chance bl
ast to make a bust out of here I need to find and appreciate wi
th my head I need a chance just to get this straight when you c
heated - then you lied - when you cheated - it's fuckin' joke -
when you cheated - then you lied - when you cheated There may
come a time when you just might not think it's worth it but try
to think twelve hours ahead When the only thing in mind is the
girl in your head well a girl like that is hard to find (Repea
t) When you cheated then you lied when you cheated It's a fucki
n' joke
